

## WEST Search History for Application 10525707

Creation Date: 2008073001:00

| Query  | DB   | Op. | Plur. | Thes. | Date       |
|--|------|-----|-------|-------|------------|
| hollow fibers same flat                              | USPT | ADJ | YES   |       | 07-30-2008 |
| hollow fibers same flat form                         | USPT | ADJ | YES   |       | 07-30-2008 |
| hollow fibers same flat form same cells              | USPT | ADJ | YES   |       | 07-30-2008 |
| hollow fibers same flat form and cells               | USPT | ADJ | YES   |       | 07-30-2008 |
| hollow fibers same flat form and cells and aggregate | USPT | ADJ | YES   |       | 07-30-2008 |
| hollow fiber membrane same flat form                 | USPT | ADJ | YES   |       | 07-30-2008 |
| flat hollow fiber                                    | USPT | ADJ | YES   |       | 07-30-2008 |
| flat hollow fiber and cells                          | USPT | ADJ | YES   |       | 07-30-2008 |
| flat hollow fiber and cells and aggregate            | USPT | ADJ | YES   |       | 07-30-2008 |
| flat hollow fiber and cells and culturing            | USPT | ADJ | YES   |       | 07-30-2008 |
| flat hollow fiber and culturing                      | USPT | ADJ | YES   |       | 07-30-2008 |
| flat hollow fiber and animal cells                   | USPT | ADJ | YES   |       | 07-30-2008 |
| flat hollow fibers and cells and culture             | USPT | ADJ | YES   |       | 07-30-2008 |
| hollow fiber membrane same flat form                 | USPT | ADJ | YES   |       | 07-30-2008 |
| flat hollow fibers                                   | USPT | ADJ | YES   |       | 07-30-2008 |
| (flat hollow fibers ) and biological                 | USPT | ADJ | YES   |       | 07-30-2008 |
| (flat hollow fibers)                                 | USPT | ADJ | YES   |       | 07-30-2008 |
